## SUMMARY

Casuan is a versatile player, playing primarily the Point Guard but can also play Shooting Guard. A prolific scorer, tenacious defender, gifted passer, a true floor general, and will always be the quickest player on the court regardless of the league he is playing in. He plays with consistency, amazing pace, and always applies pressure to the defense on the break. Casuan is phenomenal when it comes to reading defenses coming off of ball screens, a consistent shooter coming off off-ball screens on the catch and shoot, an amazing shooter off the dribble in the mid-range, a superb use of the floater that allows him to get easy scoring opportunities and has a great free-throw and 3pt shooting percentage. His high basketball IQ allows him to adjust and play within any offensive system. Casuan is a great team player/leader; lives in the gym, also is very humble and God oriented. He is dedicated on and off the court and has an incredibly competitive and strong work ethic.
